

We are delighted to offer you a private invitation to attend the 6th Institute of Coaching Leadership Forum and our first event in Europe. This unique event will feature global business leaders speaking with seasoned coaches on the impressive campus of IESE Business School, with its beautiful view overlooking Barcelona. Our keynote speakers will engage in extensive dialogue and stimulating exchanges with a limited number of participants.

The ICLF framework creates an intimate forum between senior coaches, heads of executive development and CEO's, where, rather than power-point presentations or lectures, distinguished executives give a short talk relating their leadership philosophy and challenges, and experience with coaching if applicable. This is followed by small group sessions that may include coaching, feedback and dialogue.

Our event begins with an opening reception on the evening of October 12th, at a special location in downtown Barcelona, with welcome keynotes from our hosts Alberto Ribera, IESE Professor and Academic Director and Michael Brandenburg, IESE Lead Coach. This will be followed by a full day of dialogue and coaching with corporate leaders and HR vice presidents on Tuesday, October 13th. As seasoned practitioners of the coaching craft, we hope you will be excited about this "deep dive" into co-learning and sharing with each other, now for the first time in Europe.

Are you ready to take your coaching practice to the next level?

We invite you to spend extended time in dialogue special guests:

- Thorsten Poehl, President and CEO, Prescription Medicine, Boehringer Ingelheim, Spain
- José Luis Guillén, CEO, CEU Educational Group, Madrid, Spain
- Didac Lee, CEO Inspirit, Member of the Board of FC Barcelona
- Caspar Luyten, Group Managing Director ADVEO

Our goal is to make this first IOC Leadership Forum in Europe a memorable and valuable event for all participants. Please join us...we would love to see you there!
